

Incomplete Grade Request Form

An INCOMPLETE may be assigned through the Office of the Registrar only if the instructor and the student have acknowledged all unmet course requirements and established a date of completion not to exceed the 6th week of the following regular term (fall/spring).

This is a contract to *complete* the course and a grade must be earned. The student *cannot* withdraw from this course after this contract has been submitted. Upon completion of all course requirements, the instructor will process a change of grade through Banner.

If all requirements are not completed by the deadline date, the incomplete grade will be converted to an F.

PROCEDURE:

1. Completion of this Incomplete Grade Request Form is made prior to the last class or final examination period. All parties must agree to the requirements and terms of this request. It is recommended that both parties retain copies of this agreement.
2. The instructor submits a copy of this incomplete grade form, including agreed upon completion date, to the Office of the Registrar. The Registrar's Office will enter an "I" grade upon receipt of this completed form. A student cannot withdraw from the class once the incomplete has been issued.
