# Our proprietary technology solutions

We're reinventing identity protection with proactive monitoring that helps you see, manage, and protect your personal data.

### Allstate Digital Footprint™

A digital footprint is a collection of all the personal information you've left behind that might expose you to risk. The Allstate Digital Footprint, part of Allstate Identity Protection Benefits Plus, offers a simple way for you to see and secure your information, and is our next step in reinventing digital and identity protection. Manage and protect all the personal information you and your family shares with companies while shopping, banking or using social media.

### Dark web monitoring

In-depth monitoring goes beyond just looking out for a participant's Social Security number. Bots and human intelligence scour closed hacker forums for compromised credentials and other personal information. Then we immediately alert participants who have been compromised.

### Comprehensive monitoring and alerts

Proactive monitoring helps you stop fraud at its earliest sign and enables quick restoration for minimal damage and stress.

### Enhanced identity monitoring

Our proprietary monitoring platform detects high-risk activity to provide rapid alerts at the first sign of fraud.

### High-risk transaction monitoring

We send alerts for non-credit-based transactions like student loan activity and medical billing.

### Account activity

You're alerted when unusual activity on your personal banking accounts could be a sign of account takeover.

### Financial activity monitoring

Alerts triggered from sources such as bank accounts, thresholds, credit and debit cards, 401(k)s, and other investment accounts help you take control of your finances.

### Social media monitoring

Our enhanced monitoring keeps tabs on social accounts for everyone in the family, watching for vulgarity, threats, explicit content, violence, and cyberbullying. As an exclusive to Allstate Identity Protection Benefits Plus, we look out for account takeovers that could lead to costly reputation damage.

### IP address monitoring

Exclusive to Allstate Identity Protection Benefits Plus, we scan for malicious use of your IP addresses. IP addresses may contribute to a profile of an individual, which — if compromised — can lead to identity theft.

### Lost wallet protection

Easily store, access, and replace wallet contents. Our secure vault conveniently holds important information from credit cards, credentials, and documents.

### Solicitation reduction

We aid you in opting in or out of the National Do Not Call Registry, credit offers, and junk mail.

### Digital exposure reports

You can see and identify where your personal information is publicly available on the internet.

### Credit monitoring and alerts

We alert for transactions like new inquiries, accounts in collections, new accounts, and bankruptcy filings. Allstate Identity Protection Benefits Plus also provides credit monitoring from all three bureaus, which may make spotting and resolving fraud faster and easier.

### Data breach notifications

We send alerts every time there's a data breach affecting you directly so you can take action immediately.

### Credit assistance

Our in-house experts will help you freeze your credit files with the major credit bureaus. You can even dispute credit report items from your portal.

### Sex offender notifications

Our monitoring system notifies you if a sex offender is registered in a nearby area.

### Mobile app

Access the entire Allstate Identity Protection portal on the go! Available for iOS and Android.

### Protect the entire family

We have a generous definition of family, covering those who live in the participant's household and those they take care of financially — everyone that's "under roof and wallet." If they are dependent on you financially or live under your roof, they're covered.

### Best-in-class customer care

Should fraud or identity theft occur, highly trained in-house experts are available 24/7 to fully restore compromised identities, even if the fraud or identity theft occurred prior to enrollment. And with a \$1 million identity theft insurance policy — including reimbursement for HSA and 401(k) accounts<sup>†</sup> for Allstate Identity Protection Benefits Plus participants — you can rest assured that you're protected.
