

## BRYANT UNIVERSITY

**Product Name:** Delta Dental PPO Plus Premier <sup>SM</sup>  
**Plan Type:** National Coverage

The information listed here is not a guarantee of payment. Payment is based on the Delta Dental allowance for each procedure. To be covered, services must be dentally necessary and in accordance with Delta Dental's treatment guidelines. All services must be performed in a dental office. These benefits are listed according to the level of coverage (i.e. 100%, 80%). Your group number is 4200. Coverage for benefits with time limitations (i.e. 6,12,24,36 or 60 months) is calculated to the exact day.

Unless specifically covered by your dental plan, the following are not covered:

- Services that are not dentally necessary and appropriate according to our review guidelines. Services subject to these guidelines include, but are not limited to, root canals; crowns and related services; bridges; periodontal services; orthodontics; and oral surgery. We will make a decision whether a service is dentally necessary based on these guidelines. A service may not be covered under these guidelines even if it was recommended by a dentist. Our guidelines can be found on our website at [www.deltadentalri.com](http://www.deltadentalri.com). You can have your dentist send us a request for a pre-treatment estimate in advance of the service to see if the service meets our guidelines.
- Services greater than the annual maximum.
- Services received from a dental or medical department maintained by or on behalf of an employer, a mutual benefit association, labor union, trustee or similar person or group.
- An illness or injury that Delta Dental decides is employment-related.
- Services you would not have to pay for if you did not have this Delta Dental coverage.
- Services or supplies that are experimental in terms of generally accepted dental standards.
- Services done by a dentist who is a member of your immediate family.
- An illness, injury or dental condition for which benefits are, or would have been available, through a government program if you did not have this Delta Dental coverage.
- Services done by someone who is not a licensed dentist or a licensed hygienist working as authorized by applicable law.
- Exams by specialists, except for periodic oral exams.
- Consultations.
- Disorders related to the temporomandibular joints (TMJ), including night guards and surgery.
- Services to increase the height of teeth or restore occlusion.
- Restorations needed because of teeth grinding or due to erosion, abrasion or attrition.
- Services done mainly to change or to improve your appearance.
- Occlusal guards.
- Implants.
- Bone grafts.
- Splinting and other services to stabilize teeth.
- Laboratory or bacteriological tests or reports.
- Temporary, complete dentures or temporary, fixed bridges or crowns.
