- There are no scheduled exam times for the science labs (check with your instructor).
- There are no scheduled exam times for military science courses (check with your instructor).
- TTR classes check with your instructor regarding final exam period.
- If a student has three final examinations on the same day, that student should make arrangements with an instructor of one of the scheduled exams to arrange an alternative examination time.
- Students may request to reschedule a final exam time for religious observances that conflict with a scheduled exam time. According to University policy, students must email a request to reschedule a final exam to their course instructor, the chair of the relevant department, and the dean of the college at least 30 days prior to the start of the examination period. The rescheduled exam will typically be held within 24 hours of the originally scheduled exam.
