

OptumRx CVS90 Saver

OptumRx® and CVS Pharmacy® make it easy for you to get your maintenance medications and may save you money.¹ The OptumRx CVS90 Saver program allows you to get 90-day supplies of your maintenance medications at nearly 9,700 CVS Pharmacy locations or through OptumRx home delivery — the choice is yours.

Your pharmacy benefit covers only a limited number of 30-day refills of a maintenance medication. After the allowed refills, **you must choose to fill your prescription from OptumRx home delivery or CVS Pharmacy**, or pay a higher cost share.

Here is what this means for you:

Cost savings

You may pay less for your maintenance medication with a 90-day supply.

Convenience

Your pharmacist is happy to answer your questions either at the pharmacy or by phone.

Choice

Choose between OptumRx home delivery or at nearly 9,700 CVS Pharmacy locations.

Whether you decide to get your maintenance medications from a CVS Pharmacy location or through OptumRx home delivery, it is easy to get your medication:

If you choose OptumRx home delivery

If you choose a CVS Pharmacy location

	In-Store	Bring in your prescriptions or empty prescription bottles and the pharmacist will do the rest.
	Phone	Call your local CVS Pharmacy and a pharmacy staff member will help you.
	Online	Transfer your prescriptions in a few simple steps. Just go to CVS.com/transfer .

1. In most cases, your benefit plan design provides medication cost savings through home delivery or CVS Pharmacy.

Frequently asked questions

What happens if I do nothing?

You will need to switch to 90-day fills and choose a fill preference as described on page 1 or you will pay a higher cost share for your medication(s).

Are all medications included?

No. This program only applies to certain maintenance medications taken on an ongoing basis. Excluded are medications that are taken for a short period of time (such as antibiotics), controlled substances or medications included in the specialty pharmacy program.

I am a teenager. Why am I receiving this?

If you are a young adult (age 13 to 17) covered under a parent or guardian's health plan, privacy regulations require us to communicate with you directly. You can communicate with us directly if you choose. However, many young adults want help from their parent(s) or guardian when they call or use our website.

How do I get started with OptumRx home delivery?

Go to **optumrx.com** and sign in or register to create an account. You can then choose the medication(s) you want shipped directly to you. Or call the number on your ID card, any time. We will help transfer your medication(s) to OptumRx home delivery.

How do I transfer a prescription to CVS Pharmacy?

Call or visit any of the nearly 9,700 CVS Pharmacy locations and show your ID card. You can also request to transfer your medications online by visiting **CVS.com/transfer**. All you need is the name of the medication along with the name and phone number of the transferring pharmacy.
