

Payment Options

Credit Card / Debit Card

Bryant University does not process credit/debit card payments in the Bursar's Office for student account charges. A third-party processor (Paypath Payment Service) accepts all student account credit card transactions on behalf of the University via the [Student Account Center](#). The credit cards that are accepted through Paypath are as follows: Visa, MasterCard, American Express, Discover, Diners Club, JCB and China Union Pay, BCCard and DinaCard. There will be a 2.85% convenience fee associated with all credit card payments, with a minimum charge of \$3.00.

If a student/parent chooses to pay with a credit card, they will be required to pay via the web and will be directed to Paypath's secure network environment in order for the credit card to be processed.

Students and their families will not be charged a convenience fee when using their credit cards in Athletics or at the Bryant University Bookstore.

Webcheck (ACH)

Payment may be made on-line using a personal checking account. There is no fee to use this option. To make a payment online, please log on to the [Student Account Center](#). A \$40.00 fee is assessed to the student's account if an ACH payment is returned from the bank as uncollectible. A \$3.00 fee is assessed to the student's account if a payment transaction is returned from the bank due to incorrect account information being entered when the payment is made.

Cash Payment

Students can make cash payments in person at the Bursar's Office.

If a student, parent or third party makes a cash payment of \$10,000 or more on behalf of a student, the university is required to obtain their name and social security number in case it is necessary to file an IRS Form 8300 at a future date. Please contact us directly for further information.
